

REMARKS

In the *Notice Regarding Drawings*, the draftsman indicated the type of paper on which the drawings were previously submitted was not compliant with 37 C.F.R. § 1.84(e). Specifically, the draftsman indicated drawings were previously submitted on paper that contained "erasures, alterations, overwritings, interlineations, folds, [and/or] copy machine marks."

The replacement figures submitted herewith satisfy the requirements of 37 C.F.R. § 1.84(e). Namely, the replacement sheets exhibit figures on paper that does not contain erasures, alterations, overwritings, interlineations, folds, and/or copy machine marks.

No substantive change to the drawings as filed is made by these replacement sheets nor is any new matter introduced. No change to the brief and detailed description of the drawings is required through submission of these replacement sheets.

CONCLUSION

Applicants believe the objections raised by the draftsperson have been fully overcome through the submission of the present replacement drawings. As such, Applicants request entry of the replacement drawings thereby allowing the present application to issue, the issue fee for this application being submitted herewith.

The Examiner or draftsman is invited to call Applicants' representative at the number below if he has any questions or if there are remaining outstanding issues.

Respectfully submitted,
Lee Jay Lorenzen et al.
